1.0. Introduction:

Welcome to the Legal Tech Hackathon (*Hackathon*) website operated by Arravo Limited in partnership with Perchstone & Graeys LP. (hereinafter referred to as '*the Partnership*'/ '*we*').

We utilize data files to store and/or access data or information on the devices you use to access our website. These data files may include browser cookies, pixel tags, flash cookies, or other local storage provided by your browser or associated applications (collectively referred to as '*Cookies*'). This Cookie Policy (*'Policy'*) aims to provide you with information on Cookies, including why and how we use them, as well as how you can manage or disable them. This Policy is an integral part of our [Privacy Policy](#). By accessing or using our website, you agree to the terms outlined in this Policy.

Please note that this Policy may be periodically reviewed and revised. Any updates to this Policy will be published on our website.

2.0. Why We Use Cookies.

Cookies play a vital role in enhancing the user experience on our website. They are essential for the proper functioning of our website, improving our performance, providing additional functionalities, and facilitating future interactions with you. Cookies enable us to authenticate you as a User (when you create an account with us), recognize and remember your preferences, such as device settings, browsing activities, and other valuable information. They assist in efficient navigation between pages, personalize your content, aid in advertisement and marketing efforts, measure promotional effectiveness, prevent fraud, promote trust and safety on our platforms, and ultimately improve your overall experience while using or accessing our website.

It is important to note that Cookies generally do not contain personally identifiable information about you as a user. We do not store sensitive personal information, such as email addresses, account usernames, or passwords, in the Cookies we use. Should you wish to do so, you have the freedom to block, delete, or disable these cookies provided your device allows for such actions.

3.0. Types of Cookies we collect and how they are used

When you visit our website, we may utilize Cookies to store and access your data. However, the type of Cookies and their respective roles may vary. Let's delve into a brief description of the types of Cookies we use and how they are employed:
